

Brother S-7220D-405

1 NEEDLE, NEEDLE-FEED LOCKSTITCH MACHINE

The Brother NEXIO S-7220D-405 is a lockstitch machine with a needle feed and anti-needle breakage mechanism. These features increase the efficiency of production as well as the quality of the finished product. The machine is controlled using a handy LCD control panel with 3 mode options: detailed home screen, quick home screen, and easy home screen, so you can tailor the setup to suit your preferences and level of experience.

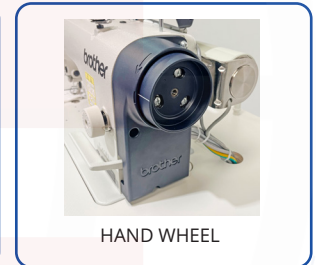

This model is ideal for sewing heavy fabrics, the needle feed prevents puckering and produces consistently neat seams.

APPLICATIONS

A classic lockstitch looks the same on both sides of the fabric and is perfect for general sewing where seams aren't required to stretch. This machine is ideal for sewing materials such as denim for apparel production, but if you have any questions about your individual requirements then please speak to our friendly team and we'll be happy to help.
