

Global 3900 DD

1 NEEDLE HIGH SPEED LOCKSTITCH

The Global 3900 DD is a 1 needle, direct drive lockstitch machine. The control panel is very user-friendly, with simple buttons which allow settings to be changed quickly and easily. The bobbin winder, which is built into the machine head, is also a handy timesaving feature.

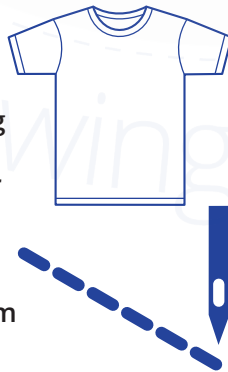

This model is best suited for sewing light to medium weight materials. Its high-speeding sewing capability makes it very efficient, and it is a great choice for beginners or experienced sewers.
