

Juki DDL-8000A

1 NEEDLE, DROP-FEED DIGITAL LOCKSTITCH WITH AUTOMATIC FUNCTIONS

The Juki DDL-8000A is a 1 needle direct drive lockstitch machine with handy automatic functions. It is part of Juki's Simply Smart Solutions Range and has additional digital functions and audio guidance to assist the operator. These features not only increase productivity but also make this machine very user-friendly!

This model is ideal for sewing light to medium weight fabrics such as cotton and polyester. It has the added benefit of being part of Juki's Eco Products range, and is more energy efficient than traditional machines.
