

# JUKI®

## Juki DDL-8100E

1 NEEDLE, DROP-FEED LOCKSTITCH

The Juki DDL-8100E is a 1 needle lockstitch machine which is ideal for beginners. It doesn't have the additional automatic features that some other machines do, but it is very reliable and produces consistently high-quality stitching.

This model is ideal for sewing light to medium weight fabrics such as cotton and polyester. It has the added benefit of being part of Juki's Eco Products range, and is more energy efficient than traditional machines.
