

# Yamato VC-2700G

## 3 NEEDLE, 5 THREAD COVERSTITCH MACHINE

The Yamato VC-2700G is a great quality cylinder-bed coverstitch machine which produces soft, comfortable seams with a very high-end feel and look. It has Yamato's special "non-stain" technology to prevent any oil marks on the finished garment, combined with their "Active Thread Control" system which ensures optimum results over a wide range of sewing conditions.

This model is ideal for sewing medium weight fabrics for various apparel production applications.
